- CHFA uses gross annual income for FirstStep/Plus and FirstGeneration/Plus, which includes income from all borrowers and any spouse or civil union partner who will reside in the home.

- Borrowers may have only one CHFA-financed property at a time.
- The property must be one living unit.
- The property must be owner-occupied as the primary residence.

dti, underwriting, and no credit scores

- FHA, VA, USDA-RD: manual underwriting allowed in accordance with respective guidelines
- CHFA allows borrowers with no credit scores.
