memorandum

to: Multifamily Housing Owners and Managers
from: Jen Fayollat, Manager, Multifamily Program Compliance
date: April 8, 2025
subject: 2025 Colorado Income Limits and Maximum Rents for Developments with Housing Tax Credits and CHFA Multifamily Loans

Attached are the 2025 Colorado income limit and maximum rent tables. The tables are also available online at: www.chfainfo.com/rental-housing/asset-management/rent-income-limits.

On 04.01.2025, HUD released the FY2025 Multifamily Tax Subsidy Program income limits, effective 04.01.2025. IRS Revenue Ruling 94-57 allows taxpayers (i.e., Housing Tax Credit project owners) to rely on the previous year's income limits until 45 days after HUD has released new income limits, or until the effective date, whichever is later. CHFA applies the same timeframe to developments financed with CHFA multifamily loans. Therefore, the 2025 income and rent limits must be implemented no later than May 16, 2025.

Exceptions: The IRS allows two types of protection from rent decreases: HERA Special limits and the hold harmless rule. While only some Housing Tax Credit projects may use HERA Special limits, all Housing Tax Credit projects are "held harmless" from decreases in limits. To identify the correct limits for your project, you must know its placed-in-service (PIS) date.

- In 2025, HERA Special limits are in place in thirteen Colorado counties. To apply HERA Special limits, a Housing Tax Credit project must have PIS as of 12.31.2008. HERA Special limits do not apply to properties that were not financed with Housing Tax Credits. Therefore, projects with CHFA multifamily loans and no tax credits may not use HERA limits.
- Remember, once your Housing Tax Credit project is placed in service, it is not subject to any decrease in limits. To be "held harmless," a Housing Tax Credit project must have PIS prior to the implementation date of the new limits. This year, Housing Tax Credit projects whose counties experienced a decrease in limits and PIS before 05.16.2025, may continue to apply the same limits they used in 2024.

CHFA also extends this hold harmless protection to developments financed with CHFA multifamily loans, regardless of whether they were also financed with Housing Tax Credits.

- New projects that place in service on or after 05.16.2025, must use the 2025 income and rent limits.

Rent Increases: CHFA asks owners to be mindful of the impact on residents when considering any rent increases. CHFA does not require any owner to raise tenant rents, regardless of any increase in maximum rents, and owners may not attribute the cause of any tenant rent increase they implement to CHFA.

Any rent increases associated with higher maximum rents or utility allowance decreases may be implemented at lease renewal only and in accordance with Colorado state and local law. For the Housing Tax Credit and CHFA Loan programs,

CHFA does not permit mid-lease term rent increases, unless required by the Section 8, USDA Rural Development, or similar rental assistance programs.

Utility Allowance Reminder: As a reminder, updated utility allowances must be implemented no sooner and no later than the first day immediately following the 90-day period that begins with the new utility allowance schedule's effective date. To remain compliant when allowances increase and tenant rent must be decreased not to exceed the maximum rent, ensure that rents are lowered immediately following the 90-day period. Do not wait until a household is due for annual recertification to lower rents. For detailed guidance and exceptions, see CHFA's Utility Allowance Policy for Housing Tax Credit and Multifamily Loan Developments, updated in March 2025, at www.chfainfo.com/rental-housing/asset-management/lihtc-program-compliance.

Rural Resort Community Limits: For programs under Proposition 123, rent and income limits at 130, 140, 150, and 160 percent AMI are included in the tables for Colorado's twelve rural resort communities. These include the following counties: Archuleta, Chaffee, Eagle, Grand, Gunnison, La Plata, Ouray, Pitkin, Routt, San Juan, San Miguel, and Summit.

CHFA Multifamily Program Compliance Manual: More information is also available in CHFA's manual at www.chfainfo.com/rental-housing/asset-management/lihtc-program-compliance.

- Section 4.1 Income Limits and Maximum Rents
- Section 4.2 Rent Restrictions
